

## Security Guard Supply Order

- Order only enough cards to meet your current needs. We track all issued temporary registration cards. You can send your order to us via fax for fastest service.
- Forms are distributed **only** to licensed private security guard companies, and are mailed to the address of record (*the address on the license*). Your order must be accompanied by a copy of the **current license and a copy of the temporary registration log from your previous order**. We cannot process your order without this information.
- Fingerprint cards and temporary registration cards are sent by third-class mail and may take an extra day or two -- please allow for this.
- **Mail or fax this form to:**
